Novel Coronavirus (COVID-19) – Sunnyseeker Hotels Announcement

As the situation with COVID-19 evolves and following official government measures, we would like to inform you that all the hotels under our management will be closed until the 30th of April 2020 (inclusive).

Sunnyseeker Hotels' head office will remain open with minimised staff so whether we are in the office or working from home, we will be able to answer all your calls or emails. All meetings have been cancelled.

With the help of all of us we can protect ourselves and our loved ones and stop this pandemic.

- Wash your hands often with soap and water for at least 20 seconds
- Use antiseptic hand gels
- Clean and disinfect objects and surfaces
- Avoid touching your mouth, nose and eyes
- Practice social distancing

We look forward to welcoming all of you back through our doors, stronger, healthier, and happier than ever.

Stay safe and see you soon!
